Larry Reed Opens New Auto Dealer Outlet at 190th St.

For more than 11 years Larry Reed has earned and enjoyed the reputation of one of Los Angeles' most successful imported car dealers.

For the past seven years Larry Reed has owned and operated his own imported car agency, known as Larry Reed Sports Cars, Inc., at the big corner of Centinela and Freeman, "where Westchester begins."

During this time Larry Reed has become the largest dealer in all Southern California for the very popular Hillman automobiles and is also recognized for his outstanding success in selling the famous Triumph TR-3 Sports Car.

Now Reed has just announced the opening of his second location at 190th St. and Hawthorne Blvd.

At the new showrooms Reed Sports Cars will feature the entire line of the world famous Rootes Motors of Coventry, England. Best known among these very popular cars are the Hillman Minx and the Hillman Husky, the Sunbeam Sports, the Humber and the Singer.

According to Reed, "Our real service to our customers begins after we have made the sale. It is for this reason that we are more particular about our facilities and our staff than other dealers might be."

He provides a 50,000-mile guarantee on parts and labor at no cost. Other imports the firm handles are Triumph, Volvo, Borgward, Prinz, MBC, and Daimler.
